St. Patrick Regional Secondary School Referral Program

Often when new students come to St. Patrick Regional Secondary they end up telling us that it was a family from our school community that referred them to us. The power of your referrals is something St. Patrick wants to reward.

The New St. Patrick Regional Secondary Student Referral Incentive Program awards a referring St. Patrick family with a \$200 tuition credit for each new student who is referred to, enrolls in and attends St. Patrick for the academic school year. (Refer a family that enrolls two students and receive a \$400 tuition credit; refer a family that enrolls three students and receive a \$600 tuition credit; etc.)

The intention of this program is to increase enrollment at St. Patrick, particularly at the grade 9-12 levels.

Please Note: This program will not apply to students enrolling during our yearly grade 8 intake from our feeder parishes.

The rules of the referral program are outlined below:

- Tuition credit awards will be given for referring new families to the school. To qualify for the incentive, referred students cannot have a sibling currently or had been previously enrolled at St. Patrick Regional Secondary.
- There is no limit to the number of students a family refers to St. Patrick Regional Secondary.
- All new students must meet standard enrollment criteria and be enrolled for the entire school year before credit is granted. Referring Families must also remain enrolled for the entire academic year.
- Tuition credits will be applied to the last payment of the school year in June. Families who paid their tuition in full will receive the credit also in June.
- To qualify, the Referring Family must fill out the form and have the Prospective Family present it upon initial/first contact with the school. The form must be completed and must be signed when they first make contact with the school. Referred families should be instructed to bring the completed form to the school office.
- Newly referred families who enrol after February 15 and also re-register for the following academic school year will receive a prorated credit in June.
- Failure to turn in a completed Referral Incentive Program form will make the referring family ineligible for the reward.
- The referral program is for parents or guardians who are paying tuition for enrolled students attending St. Patrick Regional Secondary.
- Interpretation of program parameters will be at the sole discretion of the Principal and the REC executive.
